

Our Mission: To provide comprehensive programs and services in collaboration with others that empower our residents with dignity and respect to overcome homelessness, and achieve and maintain long-term self-sufficiency.

Chapman Partnership manages two Homeless Assistance Centers located in Miami and Homestead. Our residents work together with case managers to create a comprehensive personalized plan, guiding them throughout their journey with us. With fully equipped medical and dental clinics, family dorms, cafeterias, classrooms, Wi-Fi, day-care, basketball courts, and even a dog kennel - we help provide all the resources needed for motivated residents to become self-sufficient.
